WEEKLY MEETING

Notes by Larry Lynde, Photos by Greg Griffin

Invocation

By Phather Phil

Heavenly Father today we have the pleasure of the girls testing their Oratorical skills. Be with them in that secret place you reside within them and grant them calm, comfort, and confidence. The steps to adulthood are many and varied. Public speaking is one of those steps that will open the path forward, open doors and open the world of possibilities. We ask dear Lord that win, lose, or draw they will remember this day, they have accomplished something special here today. They tried something new, something worthwhile and they earned their time at bat. Amen!

Optimist Creed

PROMISEYOURSELF

To be so strong that nothing can disturb your peace of mind. To talk health, happiness and prosperity to every person you meet.

To make all your friends feel there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
