Special Presentation: EMT/Firefighter of the Year Award

Chief Gaul lightened the mood by saying he really loves coming here and joked about a free membership and wondered why there were two guys in Optimist De-
tentation in the corner.

This award is all about going above and beyond, leadership and mentoring and therefore really appreciated we recognized the late Terry Blair who did so much for our community.

Chief Gaul has literally known Tad his entire life in fact he knew Tad's father long before he even met his wife.

Tad was destined for the fire department life.
Grandfather served 36 years as Station #1 volunteer captain.
His father retired after 30 years as Lt in station #1
His uncle served 36 years most recently as Fire Chief.

Tad exemplifies the life of service mindset. He volunteered as chairman for the Ice Cream Social the largest event for the community. He coaches rec league basketball and gives of himself many other ways.
Chief praised his hard work and great attitude.

True to form, Tad accepted the award in the most humble of acceptance speeches.

Remember, "It's not just what we do, but why we do it"

We do what we do because "we believe that children are our future"

Optimist Creed

PROMISEYOURSELF

To be so strong that nothing can disturb your peace of mind. To talk health, happiness and prosperity to every person you meet.

To make all your friends feel there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
