**Centerville Noon Optimist Club Opens Optimist Community Champion Award
Nominations**

Dayton, Ohio –The Centerville Noon Optimist Club has announced the Second Annual **Optimist Community Champion Award**. This award will help local citizens in the South Dayton communities to recognize champions within the community. The goal is to recognize citizens who have played a major role in helping children and families. The Optimist Club is looking for people, who in the course of everyday life have made an extraordinary impact through efforts that have enhanced the well being in our community. They can be recognized for courage, bravery, special achievements, mentoring, coaching or for having noble character.

Larry Lynde, President of the Centerville Noon Optimist Club stated, “We encourage all residents to think about acknowledging and recognizing the everyday champions we have in our communities. You may know us for our Christmas tree sales and Avenue of Flags program but this is not about us. It is to recognize people not of great renown but those who perform acts that win our admiration. “

To nominate a champion, please download the form from www.centervillenooptimist.com. Mail to Centerville Noon Optimist Club PO Box 750492 Centerville, OH 45475 or email to OptimistHero1@gmail.com.

The Centerville Noon Optimist Club is the largest Optimist Club in Ohio. This Optimist Club has been supporting the youth of Centerville and Washington Township since its founding in 1968. Programs and service projects that the club supports include Avenue of Flags, Tee Off for Youth Golf Classic, 4th of July Americana 5K Run, Tri-Star Basketball and Soccer and Haunted Trail at Bill Yeck Park.
