***Security breaches make headlines
around the world on a daily basis.***

With perpetrators ranging from malicious insiders to international hackers, security breaches come in many forms. No business or industry is exempt from risk and your organization's security is dependent on your understanding and actions.

Join the Sinclair Centerville team, colleagues from a wide range of business sectors, and experts from private industry, the NSA and Homeland Security to learn about the latest in cybersecurity approaches and how to lessen your organization's vulnerabilities.

Academic Excellence
in Cyber Defense*

SINCLAIR COLLEGE/
UNIVERSITY OF DAYTON
1+2+1 BSN PROGRAM

25 Students will be accepted into the program each Fall semester

STUDENT COMPLETION TIMELINE

The Need for BSN Nurses

Although Sinclair nursing graduates are in high-demand, many healthcare employers are requiring a BSN degree within five years to maintain employment.

More than 1,000,000

Projected shortage of nurses
by 2020 (*nationally*)

Percentage of registered nurses
who should hold a BSN by 2020

*The Institute of Medicine made this
recommendation in 2010, noting that it
leads to better patient outcomes.*

SINCLAIR
COLLEGE

Sinclair Nursing Articulations

- Currently, the top three BSN programs selected by Sinclair RN graduates are: Ohio University (public), Wright State University (public), Indiana Wesleyan University (faith-based).
- Although the UD/Sinclair 1+2+1 is a unique agreement, it should be noted that Sinclair Nursing does have articulation agreements with **11** other institutions, because our goal is to provide as many BSN pathway options as possible for our graduates.

Bachelor's Degrees

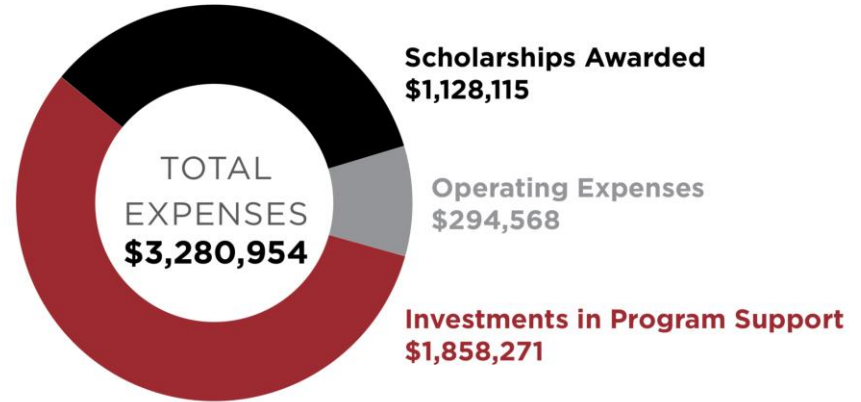

- 2017 - State provided conceptual approval for community colleges to offer 'applied' bachelor's degrees
- Rigorous approval processes at state and regional level
- Final approvals in place for Sinclair's first two Bachelor's degree offerings
- Beginning Fall 2019
 - Aviation
 - Unmanned Aerial Systems

Sinclair Foundation

Net Assets
(12/31/17):
\$37,805,286

This is a
14% increase
from the year
before.
