Dear Mr. Griffin,

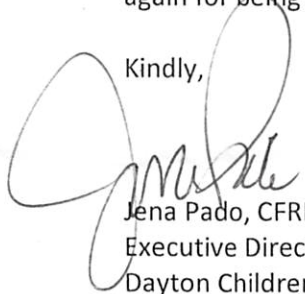

"The true character of society is revealed in how it treats its children." Nelson Mandela

Thanks to you and the entire membership of the Centerville Noon Optimist Club for going above and beyond for the children of our region. Your generous gift of \$14,500 to the Mills Family Center for Cancer and Blood Disorders at Dayton Children's is an investment in the health and well-being of our community's most vulnerable children today and into the future.

Because of you, and your efforts at this year's *Tee-Off for Youth Golf Outing*, local families facing a cancer diagnosis have access to state-of-the-art medical equipment and the latest technology available. Your gift provides hope and ensures every physician, nurse and staff member is equipped to provide the right course of treatment for these brave kids.

This year marks your 16th consecutive in supporting kids and families at Dayton Children's. Thank you again for being one of our most active and generous community partners!

Kindly,

Jena Pado, CFRE

RE: Contribution to First Dawn Food Pantry

Dear Ms. Akin,

Thank you so very much for your most generous contribution to First Dawn. It was so nice to meet you! We are beyond grateful to be chosen as the recipient of the canned goods from the Haunted Trail. This will go a very long way to feed our neighbors who are in need.

We could not accomplish this without help such as you have provided.

Gratefully,

Dear Greg and members of the Noon Optimists,

We are grateful to the Centerville Noon Optimist Club for donating \$2,500 as an Eagle Level Sponsor for the 2019 John P. Kalamán Memorial Golf Tournament, which is sponsored by the City of Centerville and the Centerville Police Department. All proceeds are placed in the John P. Kalamán Memorial Scholarship Fund, administered by The Dayton Foundation.

To date, 55 local students have received \$290,500 in scholarship awards. Previous recipients, who have already graduated, have gone on to pursue successful careers in a wide variety of fields. We are so very proud of their contributions to society, and the ongoing tribute to our son for sacrificing his life in the line of duty.

Watching the value of each scholarship grow from \$1000 in 1999 to \$7500 today is a testament to the kindness and generosity of our community. On behalf of past and future scholarship recipients, we thank you for your support. .

Sincerely,

Paula & John Kalamán
