Dear Greg Griffin,

We are writing to inform you that the second Chuck Dickerson Memorial Scholarship was awarded this year for the 2020 school year. This scholarship was established in 2018 by the family of Chuck Dickerson through the Dayton Foundation. Chuck was an eternal optimist and entrepreneur who believed in service to his family and community. Chuck lived his life by the optimist creed: Remaining too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

Abigail Campbell is the second recipient of a \$1,000 scholarship of the Chuck Dickerson Memorial Scholarship. Ms. Campbell was active in many volunteer opportunities through her church at school and she worked to help clean up after the 2019 tornados. Please join us in wishing Ms. Campbell well as she heads off to Bowling Green!

Anyone interested in contributing to this scholarship fund to help grow the fund can contact the Dayton Foundation and reference Chuck Dickerson Memorial Scholarship Fund # 1485.

The scholarship application will be available online at Scholarship Connect at [www.daytonfoundation.org](http://www.daytonfoundation.org) in December of each year. Applicants need to complete all sections of the online application in order to be considered.

It is our hope this scholarship will enable your member's children and grandchildren to embrace and live by the values represented by optimist philosophy that Chuck demonstrated in his life.

Sincerely yours,

Michael and Sarah Thonnerieux

Dear Mr. Smiga,

Thank you and thanks to the Noon Optimist Club of Centerville trustees for the scholarship award and the generous amount that was provided to me last year and again this year. I look forward to our Zoom call and it is very unfortunate we are not meeting in person.

As I mentioned in an earlier memo, although I had intended to major in psychology last year, I have decided to pursue a nursing degree with focus now on a nurse practitioner path post obtaining my Bachelor of Science degree.

Thank you again for your scholarship and I really appreciate the generous award and I promise to maximize these funds and to apply all my efforts to maximize this generous donation and to make our community proud.

Sincerely,  
Tonja Kaissieh

I've appreciated the lovely floral arrangement for a few days now. The colors have brightened my days on the couch. I'm finally getting around much easier, and hoping to be back to "normal" in a few more weeks.

Thank you
