

July 30, 2020

Mr. Greg Griffin
Centerville Noon Optimist Club
PO Box 750492
Dayton, OH 45475-0492

Dear Mr. Griffin,

When Katie Hollingsworth was 14 years old, she was given a three percent chance to live. Her organs were failing, and she spent seven weeks in a coma due to acute myeloid leukemia, a form of cancer.

No parent ever wants to ever hear the words, "Your child has cancer." But that's where you make the difference. The gift of \$15,000 from the Centerville Noon Optimist Club ensures that kids who are facing the battle of their lives have the best possible chance of living their dream. Just like Katie did.

Katie, now a nurse, with one of her patients.

Today, she's back at Dayton Children's, not as a cancer patient, but as a caregiver. She's a hematology/oncology nurse here at Dayton Children's, working with many of the same nurses who helped save her life, and helping bring the same remarkable level of care to her own patients that she remembers receiving as a child.

This year has been challenging in so many ways, but we are so grateful that, despite not hosting your annual *Tee-Off for Youth Golf Outing*, you chose to continue supporting kids like Katie in their journeys to defeat cancer and chase their dreams.

Gratefully,

Jena Pado, CFRE
Executive Director
Dayton Children's Hospital Foundation

*We are so honored to
have your support,
especially this year!
Thank you!*
