Dear Ronald and Club Members,

Thank you very much for your generous gift of \$3,500.00. Your partnership helps us continue to grow and further develop our mission. DC2C has remained open and found creative ways and new partners to get essential schools supplies in the hands of students and parents struggling to provide "school at home".

Now at last teachers are returning to shop on July 13th! One teacher recently provided this review on the Great Nonprofits website:

"Crayons to Classrooms is truly about supplying students and teachers with the supplies they need to be successful in the classroom. They have truly been a lifesaver for students and teachers within my community and the greater Dayton area." ~ SJ B.1

Since March 16th, when schools closed and remote learning began, we have distributed more than \$145,000 in learning essentials such as paper, pencils, markers, colored pencils, crayons, notebooks and more. We will continue to do everything we can to support the teachers and the continued learning of students in our area.

Our goal to enhance the learning of underserved students in the Greater Dayton region by providing school supplies will become even more important in the coming months as the education system recovers from the current disruption. You may read more about our programs by visiting our Facebook page for updates at <https://www.facebook.com/Crayons2Classrooms/>. I may be reached by phone at (937) 528-6403 or via email, a.kopp@dc2c.org with any questions you may have. Your support will help us to continue to make a difference for thousands of local students and teachers.

Thank you again!

Sincerely,

Amy Kopp
