Questions or Comments: I wanted to send a big thank you for your donations of Build A Bears to Dayton Children's. Our son received his first treatment at the hematology and oncology department and was very nervous when we arrived today. As we got to the room they brought him a bear decked out in Spiderman gear and it really brighten his morning and perked him right up! We really appreciate your sweet gesture for the children here! You've really blessed our day! Thank you!
