

# You Too Can Diaper a Baby!

## Centerville Noon Optimist vs. Centerville Rotary Diaper Drive Competition

*A friendly-competition to stock Dayton Diaper Depot*

### WHY DIAPERS?

One in three families struggle to provide enough diapers to keep a baby or toddler clean, dry and healthy. 57% of parents missed work or school for lack of diapers required by child care centers. Diapers are not covered by food stamps or Medicaid. Without diapers, often a child is left in a soiled diaper, leading to rash or infections.
