*The Tee Off for Youth was named for Dr. Tom Frazier a lifelong Optimist, President, Governor, and supporter of Youth. Tom Frazier, a local dentist, who passed in 1994 was a believer in making our community a better place for our youth to live and grow up strong. He held many offices within the Optimist organization including Governor of the Ohio District and International Vice President. He was instrumental in the forming of the Centerville Noon Optimist Club in 1968. He was the moving force behind the establishment of the Optimist International Junior Golf Championships a premier golf tournament for young people. Tiger Woods was one of its early champions. Tom was also very involved with the establishment of this golf tournament which over the years has raised hundreds of thousands of dollars for the support of children in Centerville and surrounding areas. We remember Tom and thank him for being a leader in our community.*
